NEW JERSEY CHAPTER

"Hunger Doesn't Take a Summer Vacation"

While you are planning your summer BBQs, many of your fellow New Jersey residents are facing the hungriest time of the year. The warm weather means donations slow at a time when service organizations are in greatest need. Because most people vacation at this time of year and food drives are often associated with cold weather, NJ's food banks see a dramatic drop in donations in the warm months, but hunger doesn't take a summer vacation.

This summer, we are helping NAIOP New Jersey conduct a food drive to benefit the **Community Food Bank (CFB) of New Jersey**, which supplies food to 1,500 non-profit charities across our state, including soup kitchens, food pantries, shelters, after-school programs and senior centers. 45% of the people who receive food from the CFB are children and 10% are elderly. 18% of clients with children said that their children sometimes skipped meals because there was not enough money for food during the previous 12 months.

Please Donate Non-Perishable Food or Checks by July 20 so that we can deliver to the Food Bank on July 21

- Canned Meats – chicken, beef stew, hearty soups
- Canned Fish – tuna, salmon, sardines
- Chili, Macaroni & Cheese
- Peanut Butter – in plastic jars
- Canned Vegetables – all kinds
- Canned Fruits – all kinds
- Canned Soups – especially those with meat or beans
- Canned Spaghetti Sauce
- Enriched Pasta, rice, oatmeal
- And other breakfast cereals

Please: No items in glass containers or cellophane bags

Thank you! Your generous donation will be combined with donations from NAIOP New Jersey members and their employees from all over the state to help feed the hungry throughout New Jersey.
