Uncharted Waters: A Resource Plan for Clients & Colleagues from Greenbaum, Rowe, Smith & Davis

Greenbaum, Rowe, Smith & Davis LLP Client Alert
March 16, 2020

A message to our clients, colleagues and business associates:

As the coronavirus situation continues to escalate and we all find ourselves in uncharted waters, we are reaching out to let you know that our firm is currently undertaking an urgent and proactive wide-ranging effort to identify and study the numerous pressing legal and business issues that many of you will undoubtedly face in the coming days, weeks and months.

We are deeply committed to providing support in this time of uncertainty by delivering timely and sound substantive legal advice in response to your specific business or personal challenges. Our attorneys are zealously researching and analyzing the potential impacts of a multitude of issues that may arise going forward. This endeavor is being coordinated across the full scope of the firm’s practice, enabling us to provide broad-based guidance and practical strategies for managing your concerns.

In this unprecedented situation, we recognize that there is no truly analogous set of prior circumstances for us to call upon. In some instances, we will undoubtedly confront legal issues of ‘first impression’ arising within a totally new paradigm. Be assured that our entire firm is bringing the full weight of our collective expertise to bear to help you manage this highly fluid global emergency.
